Tsiyon Building Project Progress

Hey, Look at That!

It's Tsiyon Tabernacle of Greater Austin Texas..

..Let's Go See!

July 19, 2014 - *As you can see, the Tsiyon Team has made great progress on our building in Texas. Recently we finished a huge deck with stairs and a ramp. The deck wraps all the way around the back of the building, where we plan on installing Mens and Ladies rooms, a shower and a bunk room for visitors. A Mikvah for immersions still needs to be constructed under the tree (image right). The inside of the sanctuary is mostly done, but still needs a kitchen, a/c and heating installed, and a/v set up. Can you help? Prayer, skilled labor and funds are still needed to complete the project. Thanks for all you've done to help us get this far!*

Shalom, Eliyahu
